Career Objective

Motivated B.Tech student specializing in Artificial Intelligence and Data Science with skills in Python, Java, and Web Development. Seeking opportunities to apply programming, problem-solving, and AI knowledge in real-world applications.

Education

Dr. N.G.P Institute of Technology, Coimbatore

Expected Graduation: 2028

B.Tech in Artificial Intelligence and Data Science

CGPA: 8.1/10

Technical Skills

- Programming Languages: Python (Basics), Java (Basics)
- Web Technologies: HTML, Django (Basics)
- Database: MySQL
- Tools: VS Code, GitHub, LeetCode
- Core Concepts: Problem Solving, Data Handling

Projects

Air Quality Monitoring System

- Developed an IoT-based air quality monitoring system to measure CO, PM2.5, PM10, and harmful gas levels.
- Sends alerts when pollution exceeds safe limits.
- Analyzed air quality trends to support environmental monitoring.

Bridge Health Monitoring System (BHMS)

- Designed and developed an IoT-based Bridge Health Monitoring System for continuous structural monitoring.
- Integrated sensors to detect cracks, vibrations, and load variations in real time.
- Provides early maintenance warnings.

Internship

Generative AI Intern – Gateway Software Solutions

- Worked on Generative AI concepts and applications.
- Explored prompt engineering and AI-powered tools.

Certifications

- Introduction to MCP (Model Context Protocol) – Anthropic
- AI Fluency: Framework and Foundations – Anthropic
- Claude 101 – Anthropic
- SQL Query Optimization for Beginners – SimpleLearn
- Full Stack Development with Python and Django – Pinesphere
- Time Management – Infosys Springboard
- Human Computer Interaction – NPTEL (86%)

Achievements

- Solved 250+ problems on LeetCode.
- Participated in LeetCode Weekly and Biweekly Contests.
- Participated in technical workshops and skill development programs.
- Presented a technical paper at Hindustan Institute of Technology and Science.
- Participated in a 24-Hour Hackathon at Rathinam Technical Campus.

Soft Skills

- Communication and Presentation Skills
- Team Collaboration and Leadership
